Bay Cities Ambulance conducts criminal background checks on all employees providing patient care. Our policy states that all EMT's hired by Bay Cities will undergo a state and federal criminal background check. EMT's who have resided outside the state of Oregon within the past 10 Years will be required to have a federal background check conducted after employment. Additionally EMT's hired after June 28th, 1999 will be required to be finger printed at the Medical Transportation Program (Tri-Met) Office.

Please fill out the following information and return immediately to the Training Manager. If you have any questions concerning this, you can ask your Direct Supervisor, the Ambulance Division Manager of the Training Manager.

Federal/State Background Check Authorization

I, _____(employee/applicant's legal name), voluntarily authorize Bay Cities Ambulance to conduct a background record check through an open record search through the Oregon State Police Identification Service Section. Further, I understand this search is required for employment purposes.
