**Insurance May Not Pay  
All Emergency Costs**

Spring 2013

Dear Friends and Neighbors,

To our members...“Thank You” for supporting us in these tight times and to our friends we invite you to join us and become LifeGuard Members.

We all want **“peace-of-mind.”** When you are secure and well protected from emergency medical transportation costs you don’t have to worry. As a LifeGuard Member...your whole household\* is protected...that’s peace-of-mind.

**LifeGuard is an incredible value.** Only **\$59 per year** for our regular emergency ground transportation, and only **\$94 per year** for LifeGuard Plus, our combined emergency ground *and* air medical transportation (with Emergency Airlift). Your regular insurance may not cover all your expenses and without LifeGuard you might find yourself paying up to \$1500 for ground service and a cost of up to \$25,000 for one emergency air medical transportation. Play it safe...join today.

**As a LifeGuard member you don’t have to worry!** *LifeGuard members are totally covered... for one small fee, for one full year, for your entire household.\**

**No “out-of pocket costs”, no co-pays, no deductibles...you’re totally covered.**

**LifeGuard members support our community.** Your membership fee goes directly into supporting the emergency ambulance service in our area. It means we can hire highly trained professionals, invest in the best technologies and most importantly...we can save hundreds of lives each year. Thank you for making it possible by joining.

**Don’t risk your life or your money.** Times are tough enough without unforeseen expenses...so invest in your own safety and security.

You can help keep our community a safe and secure place to live. As a member, please encourage your friends and neighbors to join LifeGuard today.

Sincerely,

*Your friends at Bay Cities Ambulance*
